Green Lodge is registered service providing 24 hour short break accommodation for up to nine adults with severe learning disabilities and complex healthcare needs.

Opened around 18 years ago, Green Lodge is on a residential street in Woodford Green and close to local shops, restaurants and excellent public transport links. We also have a qualified nurse available 24 hours a day.

The service is registered with the CQC to provide short break accommodation, personal care and nursing care for people who have complex healthcare and sensory needs. We currently take referrals from the London Borough of Redbridge and Waltham Forest, but do consider referrals from other local boroughs too.

Residents and activities

Green Lodge attracts a diverse range of individuals from different cultural backgrounds. And our programme of activities and events is just as varied.

Our programme is constantly updated to provide a range of seasonal activities. These include trips to the theatre, seaside and cinema, as well as bowling, pubs, restaurants and country parks. Our adapted nine-seat minibus is also on hand to enable trips out.

There's a choice of cooked food every evening and we can cater for people who have special dietary requirements.

Accommodation

Green Lodge is a purpose built single storey bungalow with nine bedrooms, a large open plan lounge/diner, kitchen, laundry room, sensory room, quiet room, adapted shower and bathrooms, and toilets.

Redbridge Community Housing Limited
Registered as an Industrial and Provident Society
with charitable status number 26871R.
Chairman: Jerry Hughes,
Chief Executive: Paul Allen.

There's also a first floor office and staff sleep-in room. As well as a secluded rear garden that has some raised beds and an area where we hold summer BBQs.

Each bedroom already has good quality furniture, soft furnishings and a flat screen TV. However, we encourage people staying here to bring their own possessions as well, to personalise their room during their time with us.
